

Empowering those we serve is central to what we do at Powerhouse.

Powerhouse has partnered with Folsom Cordova Community Partnership (FCCP) to provide job seeker services at our office on Thursdays from 9 am to 12 noon. This collaboration will bring assistance with creating resumes, identifying strengths that best align with current job openings, online job search and application assistance, and coaching on interviewing to Folsom residents. The funding for this endeavor is provided by federal Workforce Innovation and Opportunity Act (WIOA) through the Sacramento Employment and Training Agency (SETA) as part of America's Job Center Network. We are excited to offer this opportunity to job seekers in Folsom. Please help us get the word out.
