

December 2022 Newsletter

Happy Holidays from HART!!!

HART of Folsom is celebrating this joyous season and a blessed year of outreach in our community.

This year, thanks to our many faithful supporters, we were able to fund our four Bidwell Studio apartments and two trailers, which provided some of our formerly unhoused neighbors a place to call home. With all of our current occupants working and succeeding, 2023 looks full of hope.

We are also well prepared to begin our Folsom Winter Shelter on January 8, 2023. This is our 6th year! We're so thankful and appreciative for the volunteers, churches, local restaurants, community groups, and individuals who support the shelter with their donations, time, and skills. If you haven't already signed up for a weekly shelter volunteer position (we need storage pod attendants, weekend drivers, and substitutes especially), please visit our website [here](#) to sign up.

Rain! Hail! Lightning! Thunder!? HART Volunteers Won't Go Under

The HART booth at the December 4th Sutter Street Craft Fair braved the elements to support the unhoused. A huge THANKS to all who participated and came out on that rainy day. Christine Canelo donated a beautiful Advent quilt, complete with goodie pockets, towards our raffle prize, which also included a Big 5 gift certificate. We were able to sign up new volunteers and make valuable community connections. And we were even rewarded with a double rainbow at the end of the day!
